Water Filtration Plant Postponed

The planned water filtration plant for the Holt Well Field has been postponed.

The Orange County Dept. of Health, as well as N.Y. State Dept. of Health both want the Village of Montgomery to do much more testing to ensure that a filtration plant will solve the brown water issues in the Village, especially in the Waters Edge residential area. DPW Supt. Buddy Nelson has been investigating a variety of solutions, and it has been quite complex. We will keep residents informed of the latest developments.

H.U.D. Grant for Water Line Replacement

The Village was approved for a H.U.D. grant to complete the eight-inch water line replacement on the West-end of Clinton Street. The work is tentatively set to commence in August. Business owners should be prepared for disruption of business due to the street being partially or fully closed for approximately one month. The Contractor (once the bid is awarded) and the Village DPW will work with businesses and residents to ensure that the project is as seamless as possible. This section will be more difficult than last year's because we will be crossing Union Street. On the positive side, the downtown center will have enhanced water flow and fire protection.

Intersection of Union and Clinton Streets Improvements

The Village DPW still plans to begin improvements at the intersection of Union and Clinton Streets. We are waiting on the NY State Dormitory Authority to finalize our approved grant through Senator Larkin's Office. The grant calls for some sidewalk and curb replacement as well as drainage improvements.

Toys For Tot Train Vandalized

Unfortunately, Trustee Hembury has advised us that the Toys for Tots Train, that comes through the Village was damaged at the storage area in NJ with graffiti. He was been in contact with the Railroad and repairs are being made. It is with much hope that the trains will be restored for this year's event.

THE VILLAGE OF

MONTGOMERY, NY

VOLUME 24

Winter 2017

Mayor's Message.....

It is with sadness that I report the passing of Alice Eckler on January 2nd. She was a lovely lady who was an active member of the First Presbyterian Church, the New Horizons Senior Group, the Montgomery Senior Center and she lived at Montgomery Manor.

Alice drove for Dial a Bus in Goshen and Chester for years, and she was a lifelong area resident who helped make our community a better place. She will be sadly missed.

I would like to congratulate Patricia "Pat" Pskowski for being named this year's Grand Marshal for the St. Pat's Ramble.

Pat has poured her heart and soul into our community, and she is the perfect choice for this honor. She has been loved by all the children who have passed through Montgomery Nursery School. Her calm, friendly and welcoming demeanor is unparalleled, and Pat has certainly had a positive impact in Montgomery.

The Newsletter insert has a more detailed testimonial to this lovely lady.

Please extend your best wishes to Pat at the St. Pat's Ramble on March 18th. We are all proud and honored to have her as part of our lives.

I would like to thank and congratulate Mario Balacich for blessing the Village of Montgomery with the jewel, 88 Charles Café, which recently celebrated their 30th anniversary in business.

Mario's restaurant is one of the finest in the Hudson Valley. That is the brainchild of Balacich, who traveled the world, and we are certainly lucky that he landed his ship in our quaint Village.

His unique character, attention to culinary detail, ambiance, atmosphere and whole experience make Mario and 88 Charles the treasures that they are.

Thanks again for all that you have done for us, and we hope you stay another thirty.

A huge thanks goes out to Tom Steed of Tompkins Road for all his help in ridding the Village of the zombie telephone/utility poles. Tom spearheaded this effort with his insight, lobbying and determination. Thank you for your help in cleaning up these eyesores.

A belated congratulations goes out to Wilson "Tinker" Bunting for being inducted into the Valley Central Sports Hall of Fame. He joins other athletic greats from the Village, such as Bob "Rabbit" Kiernan and the three Bartle Brothers. Though Tinker didn't grow up in the Village, he has spent more than half his years here, so we will claim him, LOL. More details will be coming in the next newsletter.

Village of Montgomery Recycling

Pat Pskowski named Grand Marshal for the 2017 Village St. Pat's Day Ramble

It is hard to believe on Saturday, March 18th the Village will celebrate its 5th annual St. Pat's Ramble Day. Born of an idea of just a few, a dream quickly became reality. The Ramble now encompasses a Bag Piper's Parade starting at 1pm which fills Union Street with the sound of Celtic music and brings smiles to the faces of young and old alike along the marching route. Earlier in the day, at 10am, for the hearty and not so hearty, the Irish and the not so Irish, hundreds join in what has become a tradition with the "5K Run for the Gold" through the historic streets of Montgomery. At 11am a Mass in honor of St. Patrick will be conducted at Holy Name of Mary-Assumption Church. Preceding the day's events, a Grand Marshal's Reception will be held on Sunday, March 12th, 1pm to 3pm at Ward's Bridge Inn. Reservations are required. For further information call Devitt's Management at 845-457-9666.

All of this is accomplished through the tireless efforts of a small group of our neighbors who generously give of their time and energy. Thank you Ramble Committee.

With the objective of choosing a 2017 Grand Marshal, a sub-group was formed to consider a number of worthy names suggested. Their daunting task was to "think out of the box," if necessary, and nominate one person believed to best represent the principles of St. Patrick. He, according to legend, being responsible for "driving the snakes out of Ireland." This was accomplished through his individual commitment to family and community, respect for the culture and beliefs of others, awareness of the importance of youth development and strict adherence to tenets of integrity, charity and respect for human dignity.

Considering all this, while keeping in mind the mission of "thinking out of the box," one name unanimously surfaced. That person being Patricia Mary Elizabeth "Pat" Pskowski. Marc Devitt who chaired the search committee succinctly summed up what led to Pat's nomination. "We simply wanted, especially on this milestone anniversary of The Ramble, to select someone who truly exemplifies the very best of St. Patrick and our great Montgomery community. All of us agreed there was no one who fits this description better than Pat. It was a privilege to nominate Pat to the full operating board and satisfying to have them universally concur."

Pat is a native of Nutley, New Jersey. The oldest of three girls and two boys brought into the world by Rose and Salvatore Strafaci. It was in Nutley she discovered the love of her life Bernie Pskowski. Fast forward, Pat and Bernie will be married 48 years this coming September. Their union blessed them with sons John and Brian. The Pskowski clan was later joined by the welcomed addition of Daughter-In-Law Melissa upon her marriage to Brian.

In the early 1970's, as a newlywed visiting Montgomery, Pat fell in love with the area. Reminiscing, she recalls how drawn she was to the way of life found here. She particularly noted how involved businesses, schools, churches and organizations such as the little league were in everyday activity. It was however, the people of the community who left the strongest impression. Pat says, "to this date, I know it was the friendliness of the people, their willingness to help one another, their appreciation of local history and just plain old civic pride which convinced Bernie and I that this was where we wanted to call home and raise our children. We love it here now as much as we did then. The fact our children John, Brian and Melissa have also chosen to make Montgomery their home speaks for itself."

Pat is perhaps best known these days for the role played in operating the popular Pskowski family restaurant-The Ward's Bridge Inn. Her community presence however, extends far beyond Ward's Bridge. Among other things, Pat is past president of Montgomery Nursery School where she remains a teacher's assistant. She holds the position Treasurer of Holy Name of Mary-Assumption Alter Society, is a member of the Parish's Finance Committee and a long time judge at General Montgomery festivities. In short, if there is an event or undertaking impacting Montgomery, you are sure to find Pat is part of it.

As Mayor, when announcing Pat Pskowski as Grand Marshal, I stated "this is a special year for the Village's St. Pat's Ramble. It is therefore fitting that such an exceptional person as Pat Pskowski has been chosen. I and the entire Village Board look forward to proudly marching alongside Pat and the Pskowski Family on March 18th."

Note: To register your business, organization or family to march in the parade please call John or Stella O'Brien at 845-457-6228. For sponsorship, donations or to purchase a ticket for this year's raffle call Devitt Management at 845-457-9666. Raffle tickets are \$100 each and are limited. First prize is \$4,000.
